REVIEW OF OPERATIONS MANAGEMENT 10TH EDITION HEIZER

- I like Kenyon's earlier works, they're witty, steamy and fun. But what happened to Kenyon's newest book 'Seize the Night'? Awkward syntactics stopped the flow of the novel, and the story line also has awkward connections between the characters. This book gives me the feeling that it is someone else's work and not Kenyon's. I gave 'Seize the Night' only 2 stars because it just does not have the same quality that is found in the earlier Dark Hunter novels. I hope this is not this is not a trend.

- I have been a cinematographer for over 20 years, I will be using this book in class as assigned reading for my students. I find it has practical information and sound advice for making movies.
