And if you ever before need help locating the excellent book, our educated staff is right here to provide customized suggestions.

REVIEW OF NIKON SB 26 USER MANUAL

- I had the opportunity to go to a book club meeting where Steve Berry spoke about his books. I have not yet started to read "The Third Secret" but I will say I am more enthusiastic about it since I heard him speak about his works and how and where he gathers his inspirations.
- The Cherry Orchard was me first experience with Chekhov, and I was surprised at the depth in this 49 page play. By no means would I considered myself a "literary expert," but this was very readable and you can pull a lot of the deeper meanings and its context in Russian history by yourself. I was confused at a couple people who write that the simply couldn't understand it and it put them to sleep! It's not THAT tough! If I could understand and appreciate it, almost anyone can! What I like most about Chekhov is that he doesn't simplify his characters. He's a realist in this sense. Lopahkin and Trophimof each have admirable and detestable characteristics, just like you and I. While it may be set in the tumultuous period prior to the Russian revolution, the ideas and the discussions this

play provokes are timeless.Highly recommended!
