## REVIEW OF BFT ALCOR 6

- I would like to say that i am fairly new to Mastertons world but i recently read Prey and enjoyed it immensely. Not only did i find it full of gore and spine chilling moments, i also found i could not put the book down. I like the way in which he twists the ending, and keeps us all guessing until the very end. I promise that if you read just one of Mastertons books you will want to read many more!

- this is a beautiful book. the one i had for years got compromised by the mold damage we had in our old home so had to be thrown out. since this was one of my favourite books -- of course i had to get another one.
