Vietnam. A young American soldier waits for his enemy, rifle in hand, finger on the trigger. He is afraid to move and yet afraid not to move. Gunshots crackle in the still air. The soldier fires blindly into the distant trees at an unseen enemy. He crouches and waits -- heart pounding, tense and trembling, biting back tears. When will it all be over? Walter Dean Myers joined the army on his seventeenth birthday, at the onset of American involvement in Vietnam, but it was the death of his brother in 1968 that forever changed his mind about war. In a gripping and powerful story-poem, the award-winning author takes readers into the heart and mind of a young soldier in an alien land who comes face-to-face with the enemy. Strikingly illustrated with evocative and emotionally wrenching collages by Caldecott Honor artist Ann Grifalconi, this unforgettable portrait captures one American G.I.'s haunting experience.

Scorpions Harper Collins

New York Times bestselling author Walter Dean Myers traveled back to his roots in this memoir that is gripping, funny, and ultimately unforgettable. Don't miss this memoir by a former National Ambassador of Books for Young People! As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from

the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Here, in his own words, is the story of one of the most important voices of our time.

### **Dope Sick** Harper Collins

An astonishing new voice in teen literature, writing what is sure to be one of the most talked-about debuts of the year. Tyrell is a young African-American teen who can't get a break. He's living (for now) with his spaced-out mother and little brother in a homeless shelter. His father's in jail. His girlfriend supports him, but he doesn't feel good enough for her -- and seems to be always on the verge of doing the wrong thing around her. There's another girl at the homeless shelter who is also after him, although the desires there are complicated. Tyrell feels he needs to score some money to make things better. Will he end up following in his father's footsteps?

### Tyrell Macmillan

Join acclaimed author Walter Dean Myers in a heartwarming celebration of African-American childhood in words and pictures. Sharing favorites from his collection of long-forgotten turn-of-the-century photographs, and punctuating them with his own moving poetry, Mr. Myers has created a beautiful album that reminds us that "the child in each of us is our most precious part."

### 47 Harper Collins

New York Times bestselling author and Printz Award winner Walter Dean Myers once again connects with teenagers everywhere in *Darius & Twig*, a novel about friendship and needing to live one's own dream. This touching and raw teen novel from the author of *Monster*, *Kick*, *We Are America*, *Bad Boy*, and many other celebrated literary works for children and teens is a Coretta Scott King Honor Book. Darius and Twig are an unlikely pair: Darius is a writer whose only escape is his alter ego, a peregrine falcon named Fury, and Twig is a middle-distance runner striving for athletic success. But they are drawn together in the struggle to overcome the obstacles that life in Harlem throws at them. The two friends must face down bullies, an abusive uncle, and the idea that they'll be stuck in the same place forever. Maria Russo, writing in the *New York Times*, included *Darius & Twig* on her list of "great kids' books with diverse characters." She commented: "The late Myers, one of the greats and a champion of diversity in children's books well before the cause got mainstream attention, is at his elegant, heartfelt best in this 2013 novel. It's about two friends growing up in Harlem, one a writer, one an athlete, facing daily challenges and trying to dream of a brighter future."

### *On a Clear Day* Little, Brown Books for Young Readers

*Lockdown* is the powerful tale of fourteen-year-old Reese Anderson, who has spent 22 months in a tiny cell at a "progress center." Living in fear and isolation, Reese begins looking within himself to find a way out of the prison system. Acclaimed author Walter Dean Myers offers an honest story about finding a way to make it without getting lost in the shuffle. Told with compassion

and truth, Lockdown is also a compelling first-person read that "could resonate with teens on a dangerous path."\* When I first got to Progress, it freaked me out to be locked in a room and unable to get out. But after a while, when you got to thinking about it, you knew nobody could get in, either. It seems as if the only progress that's going on at Progress juvenile facility is moving from juvy jail to real jail. Reese wants out early, but is he supposed to just sit back and let his friend Toon get jumped? Then Reese gets a second chance when he's picked for the work program at a senior citizens' home. He doesn't mean to keep messing up, but it's not so easy, at Progress or in life. One of the residents, Mr. Hooft, gives him a particularly hard time. If he can convince Mr. Hooft that he's a decent person, not a criminal, maybe he'll be able to convince himself. Walter Dean Myers was a New York Times bestselling author, Printz Award winner, five-time winner of the Coretta Scott King Award, two-time Newbery Honor recipient, and the National Ambassador for Young People's Literature. Maria Russo, writing in the New York Times, called Myers "one of the greats and a champion of diversity in children's books well before the cause got mainstream attention." \*Kirkus

**Confessions of a Dope Dealer** Harper Collins

As the Civil War rages, another battle breaks out behind the lines. During a long hot July in 1863, the worst race riots the United States has ever seen erupt in New York City. Earlier that year, desperate for more Union soldiers, President Abraham Lincoln instituted a draft—a draft that would allow the wealthy to escape serving in the army by paying a \$300 waiver, more than a year's income for the recent immigrant Irish. And on July 11, as the first drawing takes place in Lower Manhattan, the city of New York explodes in rage and fire. Stores are looted; buildings, including the Colored Foundling Home, are burned down; and black Americans are attacked, beaten, and murdered. The police cannot hold out against the rioters, and finally, battle-hardened

soldiers are ordered back from the fields of Gettysburg to put down the insurrection, which they do—brutally. Fifteen-year-old Claire, the beloved daughter of a black father and Irish mother, finds herself torn between the two warring sides. Faced with the breakdown of the city—the home—she has loved, Claire must discover the strength and resilience to address the new world in which she finds herself, and to begin the hard journey of remaking herself and her identity. Addressing such issues as race, bigotry, and class head-on, Walter Dean Myers has written another stirring and exciting novel that will shake up assumptions, and lift the spirit. From the Hardcover edition.
