## **REVIEW OF CORPORATE FINANCE ROSS 8TH EDITION**

- This book has haunted me for years....I asked a friend to read it who passed it on, and that friend passed it on, etc. It is an amazing story of the human spirit and the endurance of the

body as well as the soul. Read it- you won't regret it.

- About ten years after it was written, In the Heart of the Sea is rapidly becoming one of the sea adventure classics. Unlike many survival classics, it doesn't have an eye-grabbing title. Many people probably miss it when they search for true adventure stories. However, it is one of the more excellent accounts of such experiences. It never lags into mediocrity or tedium but maintains a steady line of tension which keeps the reader motivated. There are, of course, other similar tales of whaling voyages and tragedies, but that doesn't matter. This story is unique in some ways and I came to care about the characters.

Philbrick did his homework and also knows his craft. You cannot go wrong in picking up this book.
