REVIEW OF PDR OF HERBAL MEDICINE 5TH EDITION

- This books clearly discusses the use of firearms for self defense without any agenda trying to convince you one way or another. It includes many aspects including types of handguns, clothing, legal responsibilities, and many more important things one might not consider at first. You might pick of the information from this book by taking several defense classes, reading articles and forums online for hundreds of hours, and discussing it with many, many people. Read this book to learn things correctly the first time.

- The author takes a very personal story about the murder of her cousins and produces a a well-written book that honors their memory. The story is interesting and Ms. Cummins tightly versed book keeps your interest with no overdone or lingering sections often found in books. She is a very talented writer who should have a long and brilliant career in the writing field.
