GIMPLE, as well as other compelling anecdotes and fun facts from The Walking Dead creators and crew. A must-have for anyone who has ever shouted, "We are the Walking Dead!"

**The Walking Dead #150** Image Comics

The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of

every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.

Collects one hundred new covers from more than one hundred artists, including Sean Phillips, Tony Parker, Skinner, and Fiona Staples.

#### Something to Fear Image Comics

Written by Jay Bonansinga, based on the original series created by Robert Kirkman, *The Walking Dead: Descent* follows the events of *The Fall of the Governor*, and Lilly Caul's struggles to rebuild Woodbury after the Governor's shocking demise. Out of the ashes of its dark past, Woodbury, Georgia, becomes an oasis of safety amidst the plague of the walking dead - a town reborn in the wake of its former tyrannical leader, Philip Blake, aka The Governor. Blake's legacy of madness haunts every nook and

cranny of this little walled community, but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past... despite the fact that a super-herd is closing in on them. This vast stampede of zombies, driven by inexorable hunger and aimed directly at Woodbury, becomes their first true test. But Lilly and company refuse to succumb, and in a stunning counteroffensive, the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the wilderness. Led by an enigmatic preacher named Jeremiah, this rogue church group seems tailor made for Woodbury and Lilly's dream of a democratic, family-friendly future. The two factions meld into one, the town prospers, and everything seems hopeful for the first time since the plague broke out. But things – especially in the world of the walking dead – are often not what they seem. Jeremiah and his followers harbor a dark secret, the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman's AMC comic books, The Walking Dead franchise is just getting better and better with Bonansinga's newest novel. In a stunning and horrifying finale, the world for Lilly and her close friends is turned upside down, and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels!

### **Here We Remain** Image Comics

In the last volume we learned that no one is safe. Now after the staggering losses they've sustained, Rick and Carl are left to pick up the pieces and carry on... knowing that they could join their fallen friends and family at any moment. Collects issues 49-54.

With these suggestions, you can locate the ideal The Walking Dead The Covers Volume 1 publication summaries for your rate of interests and choices. Pleased analysis!

## **REVIEW OF THE WALKING DEAD THE COVERS VOLUME 1**

- I've not finished this book. I've not finished the third chapter. I've heard such great things about this book, one of my best friends went so far as to call it "like the best book ever." So far, I've found it well written but intensely dull. I'm willing to give it a second chance however, as long as it gets better. If its anything near as good as "Abarat" which I'd consider the best fantasy book of my generation, than it's going to get a lot better from this

point.

- Have you ever been in a place where Riders and Dragons Rule? The book I'm writing this review about is Eragon, by Christopher Paolini. The book takes place around the medieval ages in the 1600's in early Europe. I would classify the genre of this book as fantasy and adventure because of the dragons and the long journeys. The story is about a young boy named Eragon, who finds a blue stone that's really a dragon egg. Eragon has to battle

to save a kingdom with his dragon, Saphira against dark enemies. There is a sequel to Eragon called Eldest and there is currently a movie out based on this book. I like this book because it makes you think about what is happening because the writing is descriptive. I think Eragon is appropriate for middle school and high school students because of the difficult vocabulary. You should read Eragon because it challenges you to believe that what is happening to Eragon is real!
