## **REVIEW OF S CLINICAL OPERATIVE DENTISTRY BY RAMYA RAGHU**

- This is one of the worst fantasy books I've ever read--and I've read a lot of them! The plot is contrived, the characters unbelievable, and the author's style is stiff, juvenile and without merit. I had to force myself to finish the stupid thing.

- I got this book when I was in 4th grade and I LOVED IT!!! It is very well written and has a good plot. The only part of the book where I felt bored was at the start of the book. I also enjoyed Eldest, and am awaiting the release of Brisngr.LOVE IT!!!!
