## **REVIEW OF MARKETING 4TH EDITION BY GREWAL AND LEVY LOOSE LEAF**

- This is a really great book! But at some points the book got a little boring to build up a climax. The basic idea of the story was what she found in her "Wonder land." I would recommend this book for people who are dreamers and like unusual stories.
- I am enjoying this book so much and I am 65 years old. Never read it as a child. I always like the Disney version and then saw the new Tim Burton version in 3D and decided to get the actual book. I have always loved Alice and now I am enjoying the actual book.
