## **REVIEW OF B06XQZW7BW BFR47**

- I wish I had not purchased this dictionary. It is totally useless. Not very well organized or categorized. The A-Z Dictionary is much better.
- I could hardly get through it. Though the story is ok, it takes too long to tell. The author also seems to have some sort of obsession with phallic structures. She uses them to describe things that shouldn't be described with them. Actually, the only reason I remember any of it is because of these stupid descriptions. Wow, I don't think that this book is worth reading at all.
