### REVIEW OF THE POWER OF THE ANKH HOW TO USE THE ANCIENT SYMBOL OF LIFE TO TRANSFORM YOUR WEALTH HEALTH AND DESTINY

- It is really annoying to start reading a book only to find out that it is a short story. This could have been an interesting book, but it only took about half an hour to read. I don't understand why it is not mandatory to label short stories so that people know what they are buying.

- For years I couldn't get this sexy, sad, romantic, and somewhat disturbing story out of my head after seeing the movie so long ago. The fact that it's somewhat biographical is what I found most intriguing. Duras is a wonderful writer. This is not easy reading, as her words are like poetry, but the book is a quick read. It's absolutely amazing what she gives the reader in a little over 100 pages. It's one of those stories you can't wait to get back to, but are afraid to read too quickly because you really don't want it to end. Now I'm ready to pack my bags, cross the river, and see the night skies of Saigon. I might even wear a man's hat and gold lame shoes while doing so. Next up, The Sea Wall, another book written by the same author with some of the same themes running through it.
