Power in Prayer Taoo Publishing

As born-again believers, God has given us divine authority and power through prayer to decree and declare His Word. But many of God's people are ignorant to the power and authority they have available to them. As a result, many Christians live defeated lives when they could be walking in victory. In Hosea 4:6, God said, "my people are destroyed because of a lack of knowledge." It's because of this lack of knowledge and understanding of our authority in Christ that Satan is able to deceive and defeat many Christians. It's like a soldier of war having a powerful, destructive weapon that he doesn't know how to use. Although the soldier has the potential of destroying his enemy with this weapon and winning the battle, because he doesn't know how to use it, his enemy can prevail against him instead. The purpose of this book is to serve as a type of training manual to instruct the believer in understanding their authority, and how to properly access and use it in spiritual warfare against Satan. Jesus victoriously triumphed over demonic principalities and powers, and He has given us the power and authority to do the same. As you read

this book and begin to apply these principals to your life, your life will never be the same again. Get ready to flow and operate on another level of power and authority in Christ like you've never known before, as you learn how to Pray in your Divine Authority.

REVIEW OF AUTHORITY IN PRAYER PRAYING WITH POWER AND PURPOSE

- I'm still reading this book and am almost done, but I will be direct about it: it seems as though nothing is truly bad about the story. I like the way things are rolling along with the plot. Saphira is an interesting dragon (not as cool as some dragons) with a very charming personality. I also like the use of a certain language they use in this book. It adds creativity if anything to the world Paolini was going for. Each character is interesting enough not to lose face with the reader, including Brom and Orik. However, there is one character who I'm greatly disliking: Eragon. He is slowly becoming more and more annoying with each page. He has the ability to use magic and wields weapons well, but I feel this is blowing his character out of proportion. Making the protagonist this powerful makes him unattractive in the following pages: VERY. Believe it or not, Eragon is actually

becoming arrogant and going on an ego trip because of his abilities and it's started to get on my nerves. His questions to others are impolite and inconsiderate at all (doesn't respect the fact people may not want to talk). All I can ask Paolini is what were you thinking when you thought up this punk for the story's hero. I liked him better when he was just a naive farm boy.

- I found this book in a used bookstore in Madison when I was a

college student and baked bread to relieve stress from studying.(Better to punch a bowl of dough than...). Seventeen years later it is still my favorite cookbook and it looks it!! It has an incredible variety of bread recipes and every one is relatively easy to make and tastes great. I have made everything from waffles to Swedish rye to coffeecake to pizza dough. A must-have for those who love to bake bread by hand.
