REVIEW OF PENTECOSTAL PUBLISHING HOUSE APOSTOLIC STUDY BIBLE

- This audio cassette contains some good tips on how to think about one's own procrastination. I believe it would be helpful for a procrastinator. However it is not the perfect cure either. Some of the stuff is 'blame-your-parents-...' so I don't know if I would apply that part. But it is good anyhow.
- This book is not nearly as helpful as her first book, Miserly Moms. Much of the information is freely available elsewhere, including the author's own website. Further, she repeats, in most cases almost word for word, lots of information from her first book. She also refers you to her first book for "more information" more than once. I wish I hadn't wasted my money on this book. I was expecting a volume as useful as Miserly Moms. To say I was disappointed would be a gross understatement.
