Teaching children how to save, spend, and be charitable can be as simple as 1, 2, 3. All parents want to teach their children good money habits from an early age. Many start by giving them an allowance. But it's equally important to teach children a positive, generous attitude as they learn to use money responsibly. Filled with warm, memorable illustrations by award-winning painter, April Willy, *Three Cups* is the story of one family's unique and effective method of teaching personal financial management—and how one boy reaped first the small, then the immeasurably great rewards of the lessons he learned. Families

will be delighted with the heart-warming tale and want to integrate the three-cup system in their own children's lives.

### A Mother's Wisdom to Her Daughter Dave Goossen

Book 4 The Fool's Journey Series Noel Eastwood's unique blend of rollicking good storytelling and the wisdom of esoteria and the Tarot continues in this long awaited sequel. Follin and his wife, Eve, have completed their lessons with the pragmatic Pentacles, the intellectual Swords and are now faced with the heady world of emotions in the Cups Kingdom. The lovers find that a safe and secure relationship is not so simple, it requires considerable insight and personal sacrifice. The spiritual lessons outlined in the Cups journey will benefit those on the same mystics journey as our heroes, be it to go beyond the world of matter in the astral planes, or to develop strategies that will make your love life fulfilling and secure. Adopting a narrative approach, Noel once again demonstrates how he uses the imagery and metaphors of tarot in meditation. Originally written for Tarot practitioners Noel's Fool's Journey Series has found a broader audience in those interested in personal growth. Through Follin we come to respect, and delight in, The Fool in all of us. This is also available in paperback and audiobook. "Fantastic series, thank you so much for writing them. Beautiful representation of unconscious archetypes and transformation." ### Tea Cups and Carnage Dramatic Publishing

This country and its people are made of the same hardy stuff that makes our game and our league. The Grey Cup has helped unite our country for 100 years now. And it has revealed us, built our pride and our sense of Canadianness in annual tributes to effort, sweat and toil. But what does 100 years of history and cultural relevance add up to? When we Canadians look at the Grey Cup, we see far more than a gleaming football trophy; we see a reflection of ourselves. After its first years as an amateur challenge cup, the Grey Cup would go on to be awarded to the best football team in Canada, with Western challengers traveling back east to fall at the hands of the more established Toronto teams. That is, until a group of frustrated Winnipeggers paid an enormous sum during the Depression to buy up star players and bring the cup west for the first time. Following this, the games became about the pride of the country, East versus West, the national identity fought over the gridiron, all chronicled dutifully by bestselling author Stephen Brunt. From the birth of the modern CFL in 1958, through the dynastic Edmonton Eskimos and into the nineties, attempted USA expansion, franchise re-birth in Montreal, 100 Grey Cups has it all: behind-the-scene anecdotes, never-before-seen photographs, and unprecedented access to the CFL archives. It is a must-have for all fans of this national tradition

### Four Cups Simon and Schuster

A mother's advice to her daughter--a guide to daily living, both practical and sublime--with full-color illustrations throughout. One sleepless night while she was in her early twenties,

illustrator/writer Hallie Bateman had a painful realization: her mom would die, and after she died she would be gone. The prospect was devastating, and also scary--how would she navigate the world without the person who gave her life? She thought about all the motherly advice she would miss--advice that could help her through the challenges to come, including the ordeal of losing a parent. The next day, Hallie asked her mother, writer Suzy Hopkins, to record step-by-step instructions for her to follow in the event of her mom's death. The list began: "Pour yourself a stiff glass of whiskey and make some fajitas" and continued from there, walking Hallie through the days, months, and years of life after loss, with motherly guidance and support, addressing issues great and small--from choosing a life partner to baking a quiche. The project became a way for mother and daughter to connect with humor, openness, and gratitude. It led to this book. Combining Suzy's wit and heartfelt advice with Hallie's quirky and colorful style, *What to Do When I'm Gone* is the illustrated instruction manual for getting through life without one's mom. It's also a poignant look at loss, love, and taking things one moment at a time. By turns whimsical, funny, touching, and above all pragmatic, it will leave readers laughing and teary-eyed. And it will spur conversations that enrich family members' understanding of one another.

*Showtime Piano: Popular, Level 2A* Harper Collins

Seven European Cup finals. Seven fans. Seven amazing adventures following the team they love. This book celebrates the achievements of Liverpool FC in Europe, and in particular a love affair with Old Big Ears - the European Cup. It's an ongoing affair that began with the legendary and, in those days, unprecedented exodus of 30,000 Liverpool fans to Rome in 1977, has taken in the glories of Paris and Istanbul, endured the horror of Brussels, and still burns as brightly today with Athens 2007, just the latest staging post of Liverpool's trans-European express. Above all, *Here We Go Gathering Cups In May* tells of the bond between a club and its fans: the lengths those fans will go to in order to be there at the final to cheer on their team, vivid accounts of what happened along the way, their escapades in some of Europe's iconic capitals, and their recollections of those historic nights - nights of glory and, sometimes, nights of tragedy.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the

vocal line.

## REVIEW OF CUPS WHEN IM GONE

- this book should be a text book for those studying soviet history. the author assumes that the reader is very well informed- certainly better informed that i am. he drops names that are mostly meaningless and impossible to put into context! his vocabulary is beyond the college level. do you know the word "ramify"? i didn't. but the positive side is that remnick has done remarkable research. he has put himself into situations that have put him at risk. his descriptions are graphic and frightening. he is courageous. i read the first half, but couldn't continue. it is part of my too hard file.

- *Hand-Made Journals*, it would be perfect! I agree with other reviewers who see this more as an inspiration for those who keep visual journals, than a guide to actually making books to use as journals. That said, this is a stunningly beautiful and inspiring book. A wide variety of styles and media are shown in the photographed journals. It left me longing to pick up and read the journals that were included.
