The only monarchy in North Africa,

Morocco has one of the more diversified GDP mixes in the region, and the mainstays of the economy include agriculture, tourism, and the textiles industry; higher-end manufacturing, IT and communications, and outsourcing are also all becoming increasingly important. The past few years have seen some significant changes, yet the kingdom has remained stable, even amidst the broader regional turmoil. After 2.7% growth in 2012, economic activity in Morocco ramped up in 2013, increasing by 4.4% as GDP hit Dh864.6bn (€76.8bn), driven in large part by the agricultural sector. The kingdom faces exogenous challenges – such as low external demand and high commodity prices – as well as domestic complications including a fiscal deficit and unemployment, but following the government reshuffle in mid-2013, the prospects look far more positive. With the 2014 budget setting a more dynamic tone as the government takes steps to redress key fiscal imbalances, there are strong indicators pointing to the economy's ability to continue to grow.

Business Week Oxford Business Group Huffington Post called him “a master of the abandoned”—and for good reason. The “artist” known only as Seph Lawless has spent the last ten years photo-documenting the America that was left behind in the throes of economic instability and overall decline—decrepit shopping malls, houses, factories, even amusement parks. Through nearly two hundred gorgeous and elegiac photographs, *Abandoned* details Lawless's journey into what was once the very heart of American entertainment: the amusement park. Lawless visits deserted parks across the country, capturing in

stark detail their dilapidated state, natural overgrowth, and obvious duality of sad and playful symbolism. Previously self-published as *Bizarro*, this updated edition of Lawless's photographic tribute to decaying American amusement parks contains new content and a new foreword. For the first time, the famed photojournalist Seph Lawless makes his moving work available in a stunning trade edition.

Many standard BOP models have been undergoing radical transformations. Newer functioning models with inclusivity with holistic, systems approach is the mantra. Development has morphed into community leadership, and societal fabric building now frames the effect of corporate governance activities on shareholder value. Not surprisingly, new voices have been calling for reinvention of marketing. CEO's cannot get clear, compelling answers about marketing's impact on the bottom line. The adage of Sam Wanamaker- that he knows that 50 percent of his advertisement works but he does not know which half -still haunts management. Consider the following: Economic liberalisation has given a new impetus to the hospitality industry. It costs an average of US\$50-80 million to set up five-star hotels with 300 rentable rooms in India. The gestation period is usually between three and four years. Movements in real estate prices have to be watched, though they have stabilised in the past three years or so. Non-five-star hotels are obviously cheaper and have smaller gestation periods, but international chains are expected to go into the five-star category. Biswajit

REVIEW OF CONSTRUCTION REPORT HOTEL WATERPARK RESORTS HOSPITALITY NET

- I must admit I heard a lot about the book prior to reading it: 1. One of the top ten 2. Question antisemitism 3. A little boring at times. Honestly, I can only agree to 1 and 3. I don't think it is in the class of the Lord of the Rings, but it is certainly noteworthy science fiction if you can slog through some of the more longwinded passages. Herbert's GRAMMAR skills are in question at certain points. Finally, except for its small cult fan base, no one talks about this book....at all. No one buys Dune calendars, plays Dune games, etc. Thus, the emotional bond that Tolkien established in the Lord of the Rings is obviously absent here. Tolkien influenced generations with his story, and clearly Herbert has not.

- Okay now I have all of the Dune series from way back-but, I did go and purchase the new hardcovers with Brian Herbert's Introductions-They are so wonderful to read! The book is exquisite.
