REVIEW OF CALCULUS EARLY TRANSCENDENTALS 6TH EDITION SOLUTION MANUAL

- I read this book several months after reading Pillars Of The Earth by Ken Follett. I usually do not read books of this period but decided to because I Ken's book was so wonderful from the first page to the last. The Other Boelyn Girl added some baser realities of that era, but I found most of it to be mostly raw rather than rich with history and colorful characters that you could connect with.

- If you've seen the movie and were disappointed, don't neglect the book for that reason! This book is a great example of its genre and is historical fiction at its best. The movie was almost embarrassingly bad and was no credit to this book.
