#### REVIEW OF CHAPTER 3 GUIDED READING ANSWERS

- I have used the books to learn for the 640-801, and even if I passed it with flying colours 3 years ago, I didn't pass it this time, as the exam is much more comprehensive than in 2001. These books were the only material I have used to prepare, and I guess that was my mistake, as the content of the books doesn't cover 100% the material you actually have to know for the real exam. Apart from the standard questions, there were few tricky ones about routing protocols, mainly EIGRP and OSPF, and one question was about DR and BDR (designated router and backup designated router), and I didn't even know what the terms mean, so I guessed wrong... Needless to say, the terms are not even mentioned in these books. I have quickly checked (with special thanks to Amazon for the very helpful 'Look inside' feature) the index of Sybex's CCNA book and 'designated router' is mentioned on three different pages. You guessed right: I checked that after the exam... :0So, even it's been said many times before, maybe someone will listen: never rely on a single source of preparation for the exam... :)

- Great. Something Wicked This Way Comes is a little gothic masterpiece by Ray Bradbury. The story concerns Will Holloway, his best friend Jim Nightshade, and his father Charles Holloway. One October a carnival comes to town. The carnival is run by a group of freaks who are intent on evil. The entire town, and particularly the two boys, and put in terrible danger. That all leads to a tremendous climax as Will, Jim, and Charles have to try to learn the true nature of good and evil to save themselves and the town. I can't believe that some people have written that this book is dated. I don't think that anyone will be saying that after the events of September 11. As long as fathers and sons still love one another and as long as there is evil to strive against, this novel will still be extremely valid. Something Wicked This Way Comes is fairly symbolic, and comments greatly on the nature of good and of evil. The story is fascinating and enlightening. Absolutely any reader can read this wonderful novel, be moved by it, and come away with a better understanding of human nature. I don't think that Ray Bradbury gets the credit he deserves, but any read of one of his novels will prove to the reader that he is a GREAT novelist.
