## REVIEW OF DAS FLIEGENDE KLASSENZIMME R MUSIK

- great product followed up with fast shipment  
The Heart Is a Lonely Hunter (Oprah's Book Club)
- This book was overall, "Ok". For most of the beginning, I kept waiting and reading, thinking that it was building up to something. Welllll...it didn't. After about 150

pages, I realized that the point of the novel was just observation, and thinking. McCullers had a few good points, some interesting ideas, but they never went anywhere. It was well written, but I had to force myself to finish it, just so it would not have been a waste of money. Not a bad read if you are just looking for something, but if you want an absorbing page-turner, this is not the book for you.
