REVIEW OF BAD BOY DCI BANKS 19

- Very well-written, very insightful and depressing. I had a great time reading it and I'm glad it's over, because (A) the events in the last section are just squalid and (B) the narrator realizes her character flaws (laziness, low self-esteem) but doesn't have the gumption to do anything about them. She allows herself to be appallingly exploited and doesn't even learn any lessons from the experience. The setting of the book didn't seem important to me compared to the description of the narrator's character.

- This encyclopedia is a comprehensive reference of Ancient Rome. Through the years it has been very helpful in finding

information about lesser-known Romans. In addition to being alphabetical, it includes an extensive index, a glossary of titles, black and white drawings and several genealogical charts of the families that ruled the Roman Empire. Based on my good experiences with this book, I have also bought Bunson's

Encyclopedia of the Middle Ages. I do not understand what the other "reader" is referring to. According to the encyclopedia, Crassus died in 53 BC and the battle of Carrhae took place in 53 BC, too. I can not find any reference to 55 BC at all!
