REVIEW OF THE ART OF CREATIVE WRITING LAJOS EGRI 9780806502007

- Jordan started off this series with a bang. Now it seems like he is slowing everything down. Everything seems to be a repeat.

Rand never seems to be very forward on what his plans are. This book started to really confuse me on where Jordan was going with this series.

- This is a good book. I would recommend "Identity" and "Ignorance" before this one, however.
