Us, in Progress: Short Stories About Young Latinos Seedfolks

Eighty-eight-year old Elva and Courtney, an attractive sixteen-year-old with a severed spinal cord, lie in adjacent beds in a grim Bismarck, North Dakota convalescent home. Ignored by the world, the only resource they have left is their imagination. As Elva and Courtney go on a fantasy trip to Italy (accompanied by Elva’s long dead husband and guided by a 1910 travel book), Elva shows Courtney a new way to envision love. But to accept it, and the gift of the imagination, Courtney must make the trip her own—even if she destroys the art Elva holds most dear. Written entirely in dialogue, *The Mind’s Eye* can be performed as reader’s theater, but it is a fully satisfying novel. In this extraordinarily innovative, profound, and yet readable book Paul Fleischman makes us all feel what a powerful—and dangerous—tool the imagination can be.

REVIEW OF SEEDFOLKS PAUL FLEISCHMAN

- The story jumps around too much and does not connect well. I am reading it now and am having a hard time getting through it.
- Of all of Coleridge's penetrating criticism of Shakespeare perhaps the most well-known is his analysis of the character of Hamlet. I quote the heart of it because it is simple pleasure to read this analysis of the great critic-creator on the master literary creator."In Hamlet he seems to have wished to exemplify the moral necessity of a due balance between our attention to the objects of our senses, and our meditation on the workings of our minds, - an equilibrium between the real and the imaginary worlds. In Hamlet this balance is disturbed : his thoughts, and the images of his fancy, are far more vivid than his actual perceptions, and his very perceptions, instantly passing through the medium of his contemplations, acquire, as they pass, a form and a colour not naturally their own. Hence we see a great, an almost enormous, intellectual activity, and a proportionate aversion to real action consequent upon it, with all its symptoms and accompanying qualities. This character Shakspeare places in circumstances, under which it is obliged to act on the spur of the moment :- Hamlet is brave and careless of death; but he vacillates from sensibility, and procrastinates from thought, and loses the power of action in the energy of resolve. Thus it is that this tragedy presents a direct contrast to that of "Macbeth;" the one proceeds with the utmost slowness, the other with a crowded and breathless rapidity. The effect of this overbalance of the imaginative power is beautifully illustrated in the everlasting broodings and superfluous "Anyone who wishes to know what great literary criticism is should read and study this volume.
