Communion with God, or in full, "Of communion with God the Father, Son, and Holy Ghost each person distinctly, in love, grace, and consolation; or, the saints' fellowship with the Father, Son, and Holy Ghost unfolded," is John Owen's finest devotional treatise. This work expounds "the most glorious truth that believers may have distinct communion with the three persons Father, Son, and

Spirit," and being addressed to the "Christian reader" is simpler than much of Owen's theology. (Unabridged. Includes all footnotes.)

At the request of the editor of the North

American Review, the author of this book prepared an argument in defense of the doctrine of Endless Punishment, which was published in the number of that periodical for February, 1885. It was agreed that the writer should have the right to republish it at a future time. Only the rational argument was presented in the article. The author now reproduces it, adding the biblical argument, and a brief historical sketch. Every doctrine has its day to be attacked, and defended. Just now, that of Eternal Retribution is strenuously combated, not only outside of the church, but to some extent within it. Whoever preaches it is said, by some, not "to preach to the times"--As if the sin of this time were privileged, and stood in a different relation to the law and judgment of God, from that of other times. Neither the Christian ministry, nor the Christian church, are responsible for the doctrine of Eternal Perdition. It is given in charge to the ministry, and to the church, by the Lord Christ himself, in his last commission, as a truth to be preached to every creature. Speaking generally, those who believe that there is a hell, and intelligently fear it, as they are commanded to do by Christ himself, will escape it; and those who deny that there is a hell, and ridicule it, will fall into it. Hence the minister of Christ must be as plain as Christ, as solemn as Christ, and as tender as Christ, in the announcement of this fearful truth. - Preface

Calvin: Commentaries Destiny Image Publishers

Much confusion exists in the minds of God's people concerning the Trinity of heaven, the Father, the Son, and the Spirit. Some believe that they are three aspects of just one Person. This they illustrate by speaking of the sun as having light, heat and power. Others think that there is only one Person who is God, and that Person is the Lord Jesus, and that no other Person will be seen on the Throne in heaven but the Son. There are others who believe that God is a Person who manifests Himself sometimes as Jesus, and sometimes as the Spirit, and eventually as the Father. Dr. Bickersteth has presented in a wonderful way a multitude of Scripture texts which correct the thinking, and make clear the true nature of the Trinity. In some cases he presents in parallel columns that which is said of each separate Person of the Trinity, so that it may be clearly seen that there are three distinct and definite Persons who are in this holy Trinity, and whom we call the God-head. He finds the truth concerning the Trinity in many passages of the Old Testament, which otherwise would be most difficult to understand. He has carefully presented the various attributes and activities of each Person of the heavenly Trinity, so that the mind will not be confused when reading these passages. Bible students will find a wealth of information and inspiration in this volume, for each Person of the Trinity is presented in clear, unmistakable terms for our hearts' affections. He especially stresses the fact that the term "God" refers to each Person of the Trinity, and does not always refer to the Father. He shows

that the word "Lord" applies to each Person of the Trinity, and not just to the Savior. In many passages where the text does not clearly reveal which Person of the Trinity is under consideration, the author shows without question the answer to this perplexity. We are constantly on the alert for a better knowledge of each of the Persons of the Godhead, so that these revelations will fill the heart with worship, praise and thanksgiving. The added information given us by Dr. Bickersteth in this volume will greatly add to our own efficiency in service, and holiness of living while ministering to others. This book has had that effect in my own heart and life. As you read this marvelous unfolding of the personality of each of these great Three you will be led to worship God as you never did before.

REVIEW OF THE TRINITY THE NTSLIBRARY

- There are several questionable things in this overall good book that would make me weary of recommending it to newcomers. 4 Stars!
- It's one of the most enthusiastic books of Agatha Christie. The facts are clean (without any false clues), and after reading it up to the end, you'll say (... as always in this author's great novels) "but sure it is!". Besides these aspects, it's a good book because the story wraps up us with interesting characters and a terrific drama. Something rare at Agatha Christie's books. Most of time she worries a lot only how to surprise the reader at the end of the story. Fortunately this one is an exception. Take a look!
