REVIEW OF KINDLE PAPERWHITE BEST BUY

- I have used this cookbook for years. I now have started making these cookies with my grandchildren. My granddaughter asked if she could have the cookbook some day. I was so excited when I found it on line. I will be giving it to her for her birthday later this month.
- I use the Dover edition at Buckhannon-Upshur High School with my ninth grade students each spring. Even the kids who say they hate poetry end up liking this book. We read the poems as pieces of a puzzle, trying to put the people and their problems together. We only get about one third of the book done in class, but most of the students read more on their own time. There's a new one--students reading for pleasure!
