REVIEW OF RICHARD BACHMAN RAGE ONLINE

- ...It's a fun book, full of fascinating stories, and if you like SNL, the odds are overwhelming you'll like Live from NY too. Thanks!
- This is a very attractive edition of this book. The physical dimensions of the book itself, it's quite large, make it very easy to read. Additionally, the large plot-driven engravings found in the book are beautiful and the smaller engravings found at the top and bottom of each page are also very attractive. The fact that this book is Vernes' unabridged edition may turn some readers off, as he does go on ad nauseam, about the inner workings of the machine. However, I thoroughly enjoyed the detail he provided.
