Bear in mind, checking out testimonials can aid you make educated decisions about what to read following and can expose you to new authors and genres you could not have considered in the past.

REVIEW OF CERTIFIED FOR MICROSOFT DYNAMICS NAV 2016

- Thoroughly enjoyed the plot. Suffering, romance, success, failure, heart break. It

takes you through all of these. Good pacing keeps you moving til the end.

- Quite arguably one of the greatest British novels ever penned, Charlotte Bronte's "Jane Eyre" is so all-around-wonderful, it's no wonder that it's been adapted into 5+ movies. We first meet Bronte's Jane as a child, young and abused, in the care of her aunt. We immediately take Jane under our wing, feeling more her personal protector with each turn of the page. Then, one day, Jane is a woman. Though retaining many of her childlike tendencies, Jane is determined to be independent: leaving her old boarding school victorious and free, she begins a governess position at the manor home of the elusive and mysterious Mr. Edward Rochester. It is Jane who tames Rochester's brooding

and arrogant heart, reducing him to schoolboyish desperation. So deliciously provocative is "Jane Eyre," that it is impossible not to devour it within days; my own worn-with-love copy sits next to a dog-eared "Villette." It is sometimes speculated that Charlotte Bronte exercised her complicated mind through the written word; "Jane Eyre" is beautiful

evidence of that. As the story slows to its conclusion, you will find yourself lost: hungry for more of Jane, more of Rochester, and more of the magic that is "Eyre." Quench that thirst with more Bronte (perhaps Emily's "Wuthering Heights" or some of Anne's poetry?) or, if you're like me, a second read of the irresistible "Jane."
