Remember the wonderfully romantic book of love letters that Carrie reads aloud to Big in the recent blockbuster film, *Sex and the City*? Fans raced to buy copies of their own, only to find out that the beautiful book didn't actually exist. However, since all of the letters referenced in the film did exist, we decided to publish this gorgeous keepsake ourselves. *Love Letters of Great Men* follows hot on the heels of the film and collects together some of history's most romantic letters from the private papers of Beethoven, Mark Twain, Mozart, and Lord Byron. For some of these great men, love is "a delicious poison" (William Congreve); for others, "a nice soft wife on a sofa with good fire, & books &

music" (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these letters show that perhaps men haven't changed all that much over the last 2,000 years--passion, jealousy, hope and longing still rule their hearts and minds. In an age of e-mail and texted "i luv u"s, this timeless and unique collection reminds us that nothing can compare to the simple joy of sitting down to read a letter from the one you love.

It reveals the purpose of the moon, explains the difference between criminals and outlaws, examines the conflict between social activism and romantic individualism, and paints a portrait of contemporary society that includes powerful Arabs, exiled royalty, and pregnant cheerleaders. It also deals with the problem of redheads.

Prayers to My King is a beautiful gift book created to help women connect intimately with their God. Where the first book in the His Princess™ series reminded us that we are loved intimately and unconditionally by our King, this second book helps us express our deepest thoughts, desires, fears and failures by emulating King David in the Psalms and crying out to God through prayer. Christian women will gain a personal, dynamic prayer life. You want to feel God's presence... embrace His promises... cry out to Him... ..but don't know how! From your heart's deepest cry to life's joyful praises, nothing is off limits to Him. Go confidently now before His throne as you claim these powerful prayers as

your own. He hears every word. He's waiting to hear from you. If from there you will seek the Lord your God, you will find Him if you seek Him with all your heart and soul and life. Deuteronomy 4:29, AMP Story Behind the Book "Too many of God's "chosen ones" don't know how to have a real relationship with their Lord. We want to feel His presence, but we don't know how to let Him in. We want to see His promises come true, but we don't believe they are for us personally. We want to experience His power, but we keep trying to live life in our own strength. We want to cry out to Him, but we're afraid to break down and admit that we're weak. My prayer for this book is that women of God will have a personal, life-changing prayer life and be transformed into the daughters of the King they were destined to be from the beginning."

This beautiful four-color book opens the eyes of women to see themselves the way God sees them. Many don't even know that they are daughters of the King - chosen to be His Princess. Somewhere between childhood and adulthood, they trade in their fairy-tale dreams of being cherished for a tarnished identity fashioned by their own insecurities and the mixed-up messages of the media. Now, these tenderly adoring letters written from God's perspective demonstrate that every woman is beautiful just the way she is. Walking in confidence toward her God-given purpose, every woman can bless others - even future generations. It's hard to look at our lives and think of ourselves as royalty. But the truth is, God is our King and we are chosen by Him. As your soul soaks in these love letters from your King, be affirmed of who you are, why you are here, and how much you are loved. For we are God's masterpiece. He has created us anew. Ephesians 2:10, NLT

Prayers To My King Simon and Schuster

A never-before-seen collection of deeply personal love letters from Kurt Vonnegut to his first wife, Jane, compiled and edited by their daughter "A glimpse into the mind of a writer finding his voice."—The Washington Post "If ever I do write anything of length—good or bad—it will be written with you in mind." Kurt Vonnegut's eldest daughter, Edith, was cleaning out her mother's attic when she stumbled upon a dusty, aged box. Inside, she discovered an unexpected treasure: more than two hundred love letters written by Kurt to Jane, spanning the early years of their relationship. The letters begin in 1941, after the former

schoolmates reunited at age nineteen, sparked a passionate summer romance, and promised to keep in touch when they headed off to their respective colleges. And they did, through Jane's conscientious studying and Kurt's struggle to pass chemistry. The letters continue after Kurt dropped out and enlisted in the army in 1943, while Jane in turn graduated and worked for the Office of Strategic Services in Washington, D.C. They also detail Kurt's deployment to Europe in 1944, where he was taken prisoner of war and declared missing in action, and his eventual safe return home and the couple's marriage in 1945. Full of the humor and wit that we have come to associate with Kurt Vonnegut, the letters also reveal little-known private corners of his mind. Passionate and tender, they form an illuminating portrait of a young soldier's life in World War II as he attempts to come to grips with love and mortality. And they bring to light the origins of Vonnegut the writer, when Jane was the only person who believed in and supported him supported him, the young couple having no idea how celebrated he would become. A beautiful full-color collection of handwritten letters, notes, sketches, and comics, interspersed with Edith's insights and family memories, *Love, Kurt* is an intimate record of a young man growing into himself, a fascinating account of a writer finding his voice, and a moving testament to the life-altering experience of falling in love.

REVIEW OF HIS PRINCESS LOVE LETTERS FROM YOUR KING

- This is a great book with lots of hidden meaning. I am sure I didn't get them all, may read again.
- This book is a good read for any gambler with limited knowledge of casino operations and marketing. Many of the reviewers pan the book for some of his comp hustling ways, but he explains that not all things in the book are for everyone. Max also states that it is for people that would have gambled anyway and were getting nothing or very little. I think this book benefits gamblers that are currently not comped and don't know how to

get comps. Max is a bit overboard in his ways, but it is a good primer for people that don't know how casino comps work. Most people play and get nothing because they don't know they can get something. I have friends that I gambled with many years ago, but they don't go very often anymore. These friends are in significantly higher income brackets now and still don't get (or ask for) comps for their higher action during the few trips they make to casinos. This book would be very helpful to them. The one knock against the book is when Max writes if a game becomes a "magilla," to leave because too many eyes will be on the game. If black chips are flying at a table, I think most people would stop comp hustling and get in on the winning!
