Beginning exploring the world of PDF Book Report File Folder Reading Project Book Project Tpt today and unlock the possibility for a richer, extra fulfilling discovering experience.

**REVIEW OF BOOK REPORT FILE FOLDER READING PROJECT BOOK PROJECT TPT**

• I don't think there's much to say about this book. It's a solid retelling of the Eros and Psyche myth, but if you already know that story, then you already know what's going to happen (for the most part). It was a quick read and the ending was different. My only problems with it were the names and some underlying ideas. I know that he's trying to portray a barbaric society, but, seriously, renaming Aphrodite, the goddess of love and beauty, UNGIT, of all things? Almost all the women's names sounded masculine to me, and vice versa. Also, CS Lewis seems to be trying to tell us that women aren't as good as men, though I guess that can be blamed on the time period in which he wrote.

• Till We Have Faces is one of the greatest books I have ever read. It tricks the reader into sympathizing with the supposed oppressed. Then it rips out your heart as it shows that the oppressed is truly the oppressor. The real sting of it all is that it reveals the oppressor within each of us. Each of us is wrapped within the confines of our own experience. Each of us, like Lewis' Orual, tends to see only our own challenges. Each of us tends to most hurt the ones we love. Are we alert enough, focused enough on other's needs to live the truly "good life?" The greatness of Till We Have Faces is not that it hits us with a self-convicting surprise. Its greatness is in showing how prevalent the problem is. Even those of us with the greatest of intentions are infected by self-interest and sin. Read Till We Have Faces--it is a life-changing book.
