REVIEW OF FOUNDATIONS IN STRATEGIC MANAGEMENT HARRISON 5TH EDITION

- This is a good book. It is very thorough and touches many topics. It's a must read. It doesn't matter if you are single, dating, or married. The author gives some great pointers
- This book was well written by its author, Nathaniel Hawthorne. It is considered one of the classics, hence the reason that we read it in AP Lang. But I was most impressed with the price, quality, and speediness of the delivery

and book. I was also very happy to see that it was the same version that my

whole class had, despite that version's absence from numerous bookstores in my area. Thank you Amazon!!
