## **REVIEW OF AMANTE RENACIDO J R WARD PDF**

- Left-wing liberal extremists, such as Mr Miller, always unveil their true political identity when they start characterizing themselves as middle-of-the-road, unbiased, independents. In the beginning of this book the author's strain to sell the reader on the idea that he's evolved into some higher form of political species by virtue of voting for Ralph Nader (his

mommy and daddy are "hardened Democrats") is laughable. If the whiney liberal condescension was excised from this book it might make for a mildly amusing pamphlet. Of Presidential quotes, I'm sure glad the sentences containing the words "but, I didn't inhale" and "I did not have sex with that woman" were found--by liberals--to be grammatically correct.

- This series of books on the Sisterhood is impossible to lay down. I bought all the ones I could find and read them all in about a week. I also went and bought the two that follow it that involves the same characters. I am getting ready to mail them to my sister so she can enjoy them also
