REVIEW OF 3300015 GTU EXAM PAPER

- If you are thinking about ending your marriage, seperated or already divorced, Debbie Ford shines a bright light on the path toward reclaiming your spirit. You can spend years in therapy or sit down and absorb the insights that Debbie offers as she shares candidly and with great passion, the journey to not only heal, but rediscover who you are and where you are headed. In a quote from Proust Debbie captures how we must shift our vision when confronted with the pain, fear, anger and uncertainty that divorce bestows upon us - "The real voyage of discovery consists not in seeking new landscapes, but in having new eyes." Through Ford's new eyes and personal divorce experience, we learn from and make peace with what we are leaving behind and focus on what new vistas and opportunities are opening up for us. She offers 7 spiritual laws for healing and takes us through these stages with examples that we can all relate to. We begin with acceptance and move along through various stages, including forgiveness and accepting responsibility. We transform this experience into a new future, filled with the power, energy and knowledge we have gathered from this life lesson. Debbie guides us through this journey with support, warmth and enthusiasm and the reader is left with the vision of unlimited opportunities by seeing tomorrow

through "new eyes". I have read many books on divorce, but none as powerful, hopeful and motivating as "Spiritual Divorce". Thank you Ms. Ford for lighting the way for me.

- If your thinking of doing self-study alone to pass the Foundations exam, this book is certainly helpful. The cramsession web-site also has some good pdf downloads. Unfortunately there

are many mistakes (which are only obvious as you read other sources) and some misleading question / answers. However, if used in conjunction with other e-commerce / firewalls / html references and online exams, you should pass. I recently took the exam and found 40-45 questions matched the cert21 exam questions.
