## **REVIEW OF MILADY CHAPTER 20 TEST**

- As an avid reader all my 44 years, I never dreamed a book was a true

mystical lifesaver! For years, I was threatened into a prison of silence after surviving multiple acts of abuse & carrying deeply hidden scars. I finally knew I had to deal with my horrific male abuse. Typical book addict, I searched for anything on male abuse & was shocked with the lack of materials. Writing for years has been a lifeline for me & through my "black blood" I carried my pain, hoping to hear others in the same boat. I finally found Mike Lew's VICTIMS NO LONGER & after several attempts, I finally faced my anxiety & purchased a copy. It came at a time when I was in the darkest depression. I had just lost both my mom & dad, 5 weeks apart in Fall 1998. Along with complicated grief, I again felt wounds reopened with demonic force. (I had

finally told my mom & dad when I turned 30 & they were shocked that people they most trusted, some loved, had me as a victim threatened in silence for so many years). I am a "myth breaker" in that I hid even from my loving & protective parents, afraid death threats were real----I was 8 when it all started... I would be amazed as I truly began my healing journey accompanied by the printed caring voice of Mike Lew! One day I hoped to thank him in person for the infinite lives he has impacted with his literary lifesaving!!! His words reach out---heart & soul... The energy of Mr.Lew is empowering! My recovery has been rough at times & I finally had the courage to attend a Male Survivor conference held at Dawn Manor in the Catskills. I KNOW I would never had

attended if I hadn't discovered Mike Lew:):):) The Male Survivor group's awesome power reflects Mike! In September 2003, I attended the National Male Survivor Conference in Minneapolis where I finally got to thank Mike in person--- What an indescribable feeling! I hope his words reach countless others suffering in silence as well as those who are in families & helping professions!! Join me on the Healing Highway coasting with Mike Lew, John C. Ireland:):):)

- This one was excellent. I don't know how I found it exactly. I was in a Book Store and it just popped out at me. I think an angel was suggesting I read it or something. But I thought it was the best book on writing I have ever read. I could totally and completely relate to Nancy. I suggest it to anyone who needs

to get to know themselves better.
