So what are you waiting for? Beginning discovering the world of The Body In Contemporary Art PDF downloads today and benefit from the wealth of info within your reaches. **Download The Body In**

**Contemporary Art PDF free** and enhance your knowing experience!

## REVIEW OF THE BODY IN CONTEMPORARY ART

- Saw it on the bookshelf, grabbed it to buy it for my son who really liked the movie, opened it, returned it to the shelf. You don't buy a book like that for the story -- you buy it for the story and the pictures -- it's a book for younger children after all -- and you hope that the pictures will bring back the fond memories of seeing the story on big screen. But this book is so modestly illustrated that it seems totally unrelated to the film. Even the characters look different. All excitement and all that underwater magic are gone. 'Toy Story' -- from the same series of Disney books -- is illustrated much better.

- Yesterday's Kings is the story of two races: the Kandarians and the Durrym. The Durrym were forced out of their ancestral lands by the iron-bearing Kandarians so there is little love lost between the two peoples. The Durrym made a new home for themselves across the river, which they use as a barrier to keep the Kandarians out. There they shape nature with their magic and are involved in their own petty clan disputes. Little do they know that the Kandarians are looking at their border with greedy eyes. The Kandarians are running out of room for their people and the church has found a way to cross the barrier to the Durrym world. Cullyn is a simple woodsman whose greatest desire is to buy himself a fine horse. He lives in the forest in harmony alone and does not really understand the village people. When Lofantyl, a Durrym, befriends him, Cullyn begins to see the Durrym as people instead of traditional enemies. Lofantyl falls in love with Adris, Lord Bartram's daughter (a border lord who keeps the Durrym out of Kandaria). He risks everything to visit her in the keep and

is captured. Lofantyl's kinsmen come and rescue him and kidnap Adris. She is in love with Lofantyl, but not sure if she can be happy among the Durrym. Lofantyl's father, Isydrian, doesn't like Kandarians, but he is hoping that the Kandarians will attack so that he can send them to his enemies and take over their land. Meanwhile, back in the forest, the priest Per Fendur has found out that Cullyn was friends with Lofantyl and intends to torture information out of him. Cullyn escapes with Laurens, a guardsman, and seeks out the help of Eben, a half-Durrym, half-Kandarian wizard. They escape over to Durrym land, where they fall into the hands of Isydrian's enemies. There Cullyn falls madly in love with the lord's daughter and becomes champion for a battle of arms to win the lord's daughter and to somehow make peace between all of the warring factions. It was a little frustrating to read this book, because it had so much potential to be much more than it was. In many ways, this is the classic tale of Britain and the fey folk who lived there before men with iron chased them out. Except here, the fey folk simply relocated and are still a force to be reckoned with. The plot was fast paced and kept the reader interested, but there was little or no character development, which was disappointing. Cullyn and Lofantyl fall in love literally at first sight and are willing to go to any means to be with the woman they want to wed. Cullyn, as the main character of the story, was the least developed ironically. He goes from being a simple forester who has never even held a sword to a champion in Durrym where he jousts and swordfights with a battle trained Durrym. This is weakly explained as his being the syn'qui or someone whom fate revolves around. Also, it would have been nice to get a little more information on the different cultures and how magic differed between them as it grew to be important to the story, but was never really explained. This book will be enjoyed by new, younger readers of fantasy and those looking for a quick, easy read in between longer, more detailed fantasy epics.
