#### **REVIEW OF BMW 323I SERVICE MANUAL**

- This book was EXCELLENT!!! It was so interesting, I couldn't put it down!! It starts off a little slow, but stick to this book, you won't regret it!!
- I read this book during a high school vacation. Although the long words and unconventional characters did not catch my fancy, the mystery involved in the story captivated me. As the story developed, I realized the profound intricacy of the plot. The conclusion of the story was not happy, nor did it even seem fair. As one who knows Hawthorne's puritan morality standards, however, I say that he communicated his message extremely well.
