- Now in an updated second edition, *Managing Across Borders: The Transnational Solution* by Christopher Bartlett (Daewoo Professor of Business Administration, Harvard Business School) and Sumantra Ghoshal (Professor of Strategic and International Management, The London Business School) is an informative introduction to the "transnational corporation", the new corporate phenomena of the interconnected global and digital age, which stretches its competition worldwide and fundamentally rewrites the nature of doing business. A fascinating, appreciative book that looks forward into the future, *Managing Across Borders* is highly recommended reading for anyone seeking to understand and capitalize on what the 21st century business community is evolving for purposes of international trade in a truly global and increasingly "borderless" age!

- This is an important book. It is clear and concise. It is easy reading and easy to comprehend.
