REVIEW OF COUNTERPOINT 4TH EDITION

- Robert Jordan is incredible... This is by far the biggest, most complex fantasy series I've ever heard of. The great book, but I found it a few moments to be dragging, or focusing too much on just the intricate relationships for way to long. Other than those moments, I felt it was engaging and very well thought out!
- This audio book can be ordered at most book stores for less than \$100 new. More than that is paying too much. It is a great book though.
