**REVIEW OF THE BOYS BRIGADE IN THE NORTH WEST**

- Another fine offering from author Ray Miller. Love for the car is palpable. Primary source documents are present. The photographs are excellent. I've had the pleasure of running across a couple of Miller's books about Chevrolet, and they are also wonderful pieces of work.
- I loved this book....could not put it down. Being from the Baltimore/DC area I loved reading the familiar city and road names. Amazing how you can feel a bit sorry for such a mean S.O.B. I'm very much looking forward to Van Horn's next novel. I hope it's not too long of a wait! Keep up the good work!
