REVIEW OF GIS FUNDAMENTALS BOLSTAD 4TH EDITION

- This Amazon page is a disaster. The sample pages are from the earlier, terrible translation published by Continuum. One of the reader reviews is (as it notes) actually a review of the earlier translation. What is it doing here?? In fact, all of the reviews predate the publication of the new translation. By all means read the Dialectic of Enlightenment! But be sure to use only the new translation published by Stanford.

- This is a lovely story about the power, energy and wonder that love can create. It has been shortlisted for the 2001 Ruth Schwartz Award for Excellence in Canadian Children's Literature.
