## REVIEW OF SYNTHESIS COUNSELING IN ASTROLOGY THE PROFESSIONAL

- A very good read! Very recommended. I loved how the wizard fought the dragons . The pictures are amazing and i love how its written in calligraphy writing.
- Kerouac goes mountain climbing in the Sierras with buddies,gets job in Washington as fire lookout on Desolation peak,spends time in the jazz bars of San Francisco, drinks too much and talks of his life, its significance (none for him), and the meaninglessness of life in general... A great book!
