### **REVIEW OF THE BEAT GENERATION AND THE ANGRY YOUNG MEN**

- I found that the explanations given for the answers are unsatisfactory. On the tougher problems (Bin 3) too many of the explanations were to plug in the choices given and see if they work. Some explanations were unnecessarily complicated. The good news is that the CD rom works in this edition but the drawback is that the CD rom has no explanations for answers.
- This book is not necessarily an easy read, but if you are truly interested in the dynamics in Germany leading up to WWII this is the one for you.
