REVIEW OF HEAD FIRST PMP FOR PMBOK 5TH EDITION EBOOK WWLINK

- The nicest thing that I can say about this book is that it is a

quick read. The main character, Alfie is a womanizing, abusive, egotistical, despicable man. He is every man you warn the women you love to stay away from. He hurts the married women that he dates (okay, they are cheating, so they deserve it) but he hurts innocents (Annie) too. None of the characters are likeable - the women are either stupid, cheaters, or weak. I found the book to be shallow and am very glad to be done with it.
