With this details, you prepare to embark on exciting literary experiences with the easy act of downloading and install How To Be A Woman By Caitlin Moran Hanwhaore. Satisfied reading!

## REVIEW OF HOW TO BE A WOMAN BY CAITLIN MORAN HANWHAORE

- The plot was a bit frustrating due to misunderstandings and lack of communication by the main characters. Austen does meander through relationships well in order to sustain the reader's interest.

- After viewing several versions of Jane Austen's works, it seemed that reading at least one was overdue. Since I had just seen the latest Masterpiece Theater version of Persuasion on PBS, that seemed a likely choice. The possibility of two problems loomed as the book was purchased: First, the book and the taped version would probably have major differences. Second, Having been written 200 years ago, the style would also be different, more narrative than action, for instance. I was to discover that sentence structure was also very different. (Although I have read many books in this style in my lifetime, the popular style today is, of course, more fast-paced and active in comparison.)I was quite right about the pacing and the style. At first, it was a difficult read, taking more concentration than modern popular fiction requires. But as the machinations of the Elliott family and their kin unfolded, I was drawn into the story. How could Sir Walter be so oblivious to Anne's favors? How could Anne have listened to Lady Russell and rejected Wentworth's proposal eight years earlier? How could anyone have wanted to wed Anne's sister Mary whose ailments and spells are so blatantly self-serving? And would a man of Wentworth's personality, station, and eventual rise wait eight years to marry in an era when marrying well was so important to the upper and upper-middle classes?All of the shenanigans listed above and many more are documented in detail in the book. There is no way one can get the same flavor of scheming and hoping in a play or film. At least I've not seen one that accomplished that. It is tough going sometimes for the modern reader. However, it is well worth the effort. Seeing society as Jane Austen did is one of those experiences one can most often get only from books. I'm glad that I picked up this one and now plan to read more of her work: Pride and Prejudice, Sense and Sensibility, and Emma among them. It should be an interesting summer.
