REVIEW OF 9 POWER AND INTERNATIONAL RELATIONS DAVID A BALDWIN

- This book. What can I say? If the theology/morality wasn't so pointless, affected and plain ridiculous (more on that in a second), it would still be a

crime against humanity on the part of the publishers. The writing style is banal, flat and unimaginative, the characterisation is poorly thought out and unbelievable (Dairine suddenly transforms into a different person halfway through the book, and the parrot/goddess...don't get me started. Nita and Kit are as they always were, in their ways and in their relations with each other, and the Lone Power, unbelievably, goes through a completely ludicrous character change.) Also, it has a falsely sentimental overtone, the jokes are childish and- well, it just ... all round. About the theology. It's just rehashed Judeo-Christian philosophy with a little boring physics and calculus thrown in. Pu-lease. In short, just read something else.

- Dairine Callahan is Nita (the wizard's) younger sister. When she sees how much fun Nita is having with the magic she naturally wants to join in too. But when her new wizard's manual turns out to be a computer and her powers are nearly limitless she is sent on an ordeal that will take her to different worlds, different galaxies and give her power that she never dreamed of. Nita and Kit come to the rescue but unfortunately the Lone Power is not far behind them. AND he realizes how powerful that Nita is too. He doesn't like it one bit. Though it's a step down from Deep Wizardry and so you want to be a wizard it's still entertaining. If you love the world of fantasy magic and wizardry this book is for you!
