REVIEW OF A460 PDF WORDPRESS

- I am a long-time admirer of Malamud. In my view, "The Assistant" and "The Natural" are two of the outstanding novels of the 20th Century. I can still

recall my gratification upon finishing "The Magic Barrel." In the case of first-time exposure to a book, play, or movie, I believe that expectation frequently colors reaction. Given my experience with Malamud, I began to read "A New Life: with a sanguine attitude. The first page, carefully calculated to entice the reader's interest, validated this attitude. Although my enthusiasm waned over the next 20 or 30 pages, I reminded myself of Malamud's literary prowess. He's just having a little trouble revving up the engine, I thought. Happens to the best of them. My man will get off the ground shortly and we'll be soaring into the clouds. Malamud's early take on Levin bolstered my confidence. Levin is an unsuccessful teacher, a former drunk, a tactless, gauche klutz whose professional and intellectual capacity and social skills are, to say the least, limited. The reader will identify with Levin, or root for him, or feel sorry for him, or simply connect with him, however attenuated the connection, WHEN LEVIN CHANGES. And so, the reader looks forward to finding out what manner of event, what shift in circumstance, will rehabilitate Levin, or trigger his turnabout, or spark his transformation, or signal some incipient but viable adjustment of his personality and character. Or perhaps will reveal some redeeming quality, some suppressed side of Levin that is rational, perceptive, sensitive, sensible. It doesn't

happen. Levin's self-destructive behavior accelerates, and the book plunges irreversibly into contrived farce and fatuous set-scenes devoid of credibility. Contrary to Mr. Lethem's Introduction, the book is neither comic nor tragic; it is simply hollow in its core. To revisit the credibility issue, Levin's attempts to insert himself into and influence campus politics are so maladroit as to be unbelievable. His relationship with Pauline is self-delusional and empty-headed, and is not plausible. The ultimate implausibility, of course, is the last segment. The book does contain well-written descriptions of scenes from nature. But why so many? Some of the dialogue is clever in a stilted way. College-faculty environments are unquestionably as vicious as reflected, but surely the real-life intrigues are not conducted on the level of ineptitude depicted here. Beyond those small plus-factors, the book fails in terms of plot, narrative, and character development. Like Levin, "A New Life" is a loser. Come to think of it, Malamud's purpose may have been to write the book as a metaphor for stupidity.

- As a stage manager just starting out my career, I have found this book to be indispensable! Not only is it informative, it is an enjoyable read. This is the best resource for today's stage manager, and I have recommended it to quite a few of my colleagues.
