Seventeen-year-old Jane had found the horse of her dreams—or so she thought. Windsong had the breeding, training, and the flashy good looks to win medals at national competitions, but conservative, shy Jane wasn't sure she was up to the challenge of riding the temperamental beast. He may have been an imported Swedish Warmblood, and he may have had Grand Prix dressage training, but he was wild. When her spirited, new horse races out of control, help comes unexpectedly—and

unwelcomed—from a loathsome cowboy, a horribly mean-spirited, condescendingly brusque, gorgeous black-haired, azure-eyed reining champion, who is positive Jane is most definitely not up to the challenge. As these two from opposite ends of the horse world are forced to work together, tempers blaze and horseshoes fly, but something else begins to spark. Can Jane overcome her fear and preconceptions to win her goal of competing in the National Junior Rider Championships...and not lose her heart at the same time? This story about a teen dressage competitor is the first of a series of three books following her developing career in national competition. This book is not just for horse-crazy teens though, it will

captivate women and young adults who love outdoor sports and romance. If you have experience with horses or other outdoor sports, you already know that horse showing or sport competition is an adventure; and, let me tell you, horse showing in national competition is equestrian adventure at its most exhilarating. Are you up to the challenge?

This is a little gem of a book--the perfect Christmas gift for lovers of reading! Reading Pleasures is filled with gorgeous photographs and artworks, each paired with an inspiring quotation. Book lover and host of The Book Club Jennifer Byrne introduces the book magnificently in her

Foreword: 'Here are brief quotations and observations on the reading life, accompanied by illustrations from the National Library of Australia's own collection'. They 'amount to a celebration--and examination--of the lifelong, earthy, impossible-to-explain love affair between readers and their books.' We all read in different ways: some in a private moment revelling in the escape that reading allows, or some with an eye to sharing and discussing. Tim Winton sums up reading in one word: 'privacy'. But for others, reading is company. 'As long as you have the capacity to read,' says Elliot Perlman, 'you needn't be alone any more'. Or as Richard Flanagan puts it in *The Narrow Road to the Deep North*, when his hero Dorrigo Evans stands in his library: 'he

was not alone'. And Miles Franklin wonderfully describes the place we go to when we are reading as 'book-land'. To return to Jennifer: 'As the chorus of voices in this book makes clear, there are as many ways to read as there are to live.'

REVIEW OF COLT RODEO WORKSHOP MANUAL FREE

- Vincent van Gogh is one of the truly influential painters of his day and painted art revealing complex spirituality and intense emotion that continue to impress art students, connoisseurs, and artists today. He was able to imbue his

work with his own psychological presence as is especially evidenced in his many self-portraits. In Van Gogh, art historian and Post-Impressionist expert Belinda Thompson has assembled his paintings and works drawn from the archives and collections of the Art Institute Of Chicago including such famous works as an 1887 Self-Portrait, The Bedroom, and Madame Roulin Rocking the Cradle. Thirty of the images are reproduced in full color, together with another twenty-two duotone comparative illustrations. Van Gogh is further enhanced for the reader with an informative account tracing the great artist's development as a painter in Holland, England, and France in a career that was to last less than a decade. Van Gogh is a very highly recommended

addition to any personal, academic, or community library Post-Impressionist art history reference collection in general, and to Vincent van Gogh enthusiasts in particular.

- Nineteen year old Edmond Dantes is falsely accused and incarcerated by three men; one sacrifices Dantes to his ambitions, one covets his fiancée, one is jealous of the young sailor's success. His unbearable captivity in the Chateau d'If lasts until his ingeniously conceived escape fourteen years later. When he returns to wreak his terrible vengeance on the men who imprisoned him, he is no longer the naive, idealistic Edmond Dantes; he is the cunning, cynical, and fabulously rich Count of Monte Cristo. The complex plot of this book makes it slightly challenging, but the suspense

and intrigue more than compensate. I thoroughly enjoyed this fictional masterpiece!
