## **REVIEW OF NIGHT GLENCO STUDY GUIDE ANSWERS**

- Jonas is a 12-year-old boy, although, he is not like you or me. His "community" takes place in the future. In Jonas' community no one can see colors, hear music, or make choices. Everything is peaceful. No one is hungry or sick, or even different. There is only one person in the community who knows how the community came to be. This is The Giver, and young Jonas has been selected to become the next Giver. Soon Jonas and The Giver are the only ones who know about animals, hills, emotions, wars, Christmas, and sled

rides in the snow. They are the only ones who know what happens when you are released. This book is an awkward and often difficult read if you like to read for enjoyment. Lois Lowry's *The Giver*, however, takes a unique look at the mind of an adolescent put into an adult unique story of mind games and adventure, memories, and fear. Jonas experiences all of these things for the first time and you as the reader get to see what that feels like. As with many tales of future utopias, Jonas's once perfect world becomes a nightmare. Can *The Giver* help his community understand who they really are? Can Jonas find peace in a place called Elsewhere? Find out in Lois Lowry's *The Giver*.

- this book called the giver is a pretty good book. It shows good relationship between the boy, Jonas and the old man, the giver. The reason why I like this book is because its different from other books. How its different is because of the no color and how they get grouped and get a number for a name. That's why I recommend this book to every one who enjoys unusual books.
