### **REVIEW OF APARTMENT MAINTENANCE TECHNICIAN TEST QUESTIONS AND ANSWERS**

- Michael Rose's devastating reportage on the moral and spiritual implosion of many Catholic seminaries confirms anecdotal evidence I have gathered by talking to ex-seminarians and orthodox Catholic pshychologists. Many seminaries are hot houses of sexual activity where orthodox heterosexual men with genuine vocations are distinctly vulnerable. These good men are often treated in a manner reminiscent of how the Soviet Union once dealt with dissidents. This is not an exaggeration. Many bishops have been grossly negligent in their oversight of these institutions. The more people who read this book, the more likely it is that something can be done.

- This was way too much money for a binder of simple, standard contracts. Some are helpful others are not. For example, there is a contract for parents permission for a minor or for television/radio commercials. Only get this if you really want to see a contract rider, producer and management contract(s). The record label contract is very indie so be warned. The CD-Rom in the package is the same as the binder, but allows you to go into the file and put names/dates and pretty much modify the whole contract.
