REVIEW OF SMB DISASTER RECOVERY PLAN NASRP

- I have fond memories of my father reading me this book before I went to sleep. It slowly grew into one of my favorite books. I would recommend it to anyone. You must read it!
- Mr. Flusser once again demonstrates his sartorial knowledge with another wonderful book. Knowing where to go for fine mens clothing is as big a problem as knowing what a man should wear. Mr Flusser updates the principles he set

down in Clothes and The Man and tells us where to find many of the items a well dressed man should have. From suits to scarves, glasses to cufflinks its all here in this book.
