Although polypropylene has been marketed since the 1950s, research and development in this area is still vigorous. The consumption of polypropylene over the years has been relatively high, mainly due to the steady improvement of its property profile. Polypropylene: Structures, Blends and Composites, in three separate volumes, reflects on the key factors which have contributed to the success of polypropylene, dealing with all aspects of structure-performance relationships relevant to thermoplastic polymers and related composites. Volume 1, Structure and Morphology, deals with polymorphism in polypropylene homo- and copolymers, where molecular and supermolecular structures are covered, and the processing-induced structure development of polypropylene, showing the interrelation between the processing-induced morphology and mechanical performance. Volume 2, Copolymers and Blends, contains comprehensive surveys of the nucleation and crystallisation behaviour of the related systems. It includes the development of morphology and its effects on rheological and mechanical properties of polypropylene-based alloys and blends and a review of polypropylene-based thermoplastic elastomers. Volume 3, Composites, gives a comprehensive overview of filled and reinforced systems with polypropylene as a matrix material, with the main emphasis on processing-structure-property-interrelationships. Chapters cover all aspects of particulate filled, chopped fibre-, fibre mat- and continuous fibre-reinforced composites. Interfacial phenomena, such as adhesion, wetting and interfacial crystallisation, are also included as important aspects of this subject.

Bollywood, a popular nomenclature for India's "national" film industry in the Hindi language, along with the Taj Mahal, yoga, Buddha, and Mahatma Gandhi, is one of the best-known introductions and universally recognized associations with India

across the world today. Despite its predominant narrative styles not confirming to the First World European and/or American cinema structure, Indian cinema is increasingly viewed as the world's second-most important film industry, after Hollywood, with box-office influence crossing over with European cinema. Bollywood FAQ provides a thrilling, entertaining, and intellectually stimulating joy ride into the vibrant, colorful, and multi-emotional universe of the world's most prolific (over 30 000 film titles) and most-watched film industry (at 3 billion-plus ticket sales). Bollywood blockbusters are simultaneously screened in theaters and cinemas in over 100 nations from the USA to Japan, New Zealand to the Netherlands, and Peru to Pakistan. Every major Hollywood studio (Warner Bros., Fox Star, Disney, Sony Pictures, and Viacom 18) is now making or distributing Bollywood films. Yet much of Indian cinema continues to amuse and confuse audiences and critics outside of India, including during their first/occasional introductions to its, in the words of Salman Rushdie, "epico-mythico-tragico-comico-super-sexy-high-masala-art form in which the unifying principle is a techni-color-storyline." Bollywood FAQ explains and explores the above myths and magic. It introduces India's maharajah-like stars and their cult-commanding stardom. Movie buffs will find a ready reckoner on iconic Bollywood films, with a bonus must-watch listing of the cinema's most spectacular song-and-dance moments, highlighting the pleasures and popularity of a national cinema that has come to be a genre in itself. This book is a reader-friendly reference to everything one has ever wanted to know about the spectacular, robust, humongous, colorful, and dramatic multi-generic cinematic being called Bollywood. The narrative is enriched with insider insights culled from its author's long career as a film writer and critic in the city of Bollywood, Bombay (now Mumbai).

Lucille Ball, Hollywood's first true media mogul, stars in this "bold" (The Boston Globe), "boisterous novel" (The New Yorker) with a thrilling love story at its heart—from the award-winning, bestselling author of *Chang & Eng* and *Half a Life* A WASHINGTON POST BEST BOOK OF THE YEAR • "A gorgeous, Technicolor take on America in the middle of the twentieth century."—Colson Whitehead, Pulitzer Prize-winning author of *The Nickel Boys* This indelible romance begins with a daring conceit—that the author's grandfather may have had an affair with Lucille Ball. Strauss offers a fresh view of a celebrity America loved more than any other. Lucille Ball—the most powerful woman in the history of Hollywood—was part of America's first high-profile interracial marriage. She owned more movie sets than did any movie studio. She more or less single-handedly created the modern TV business. And yet Lucille's off-camera life was in disarray. While acting out a happy marriage for millions, she suffered in private. Her partner couldn't stay faithful. She struggled to balance her fame with the demands of being a mother, a creative genius, an entrepreneur, and, most of all, a symbol. The Queen of Tuesday—Strauss's follow-up to *Half a Life*, winner of the National Book Critics Circle Award—mixes fact and fiction, memoir and novel, to imagine the provocative story of a woman we thought we knew.

The material and visual culture of the Islamic World casts vast arcs through space and time, and encompasses a huge range of artefacts and monuments from the minute to the grandiose, from ceramic pots to the great mosques. Here, Venetia Porter and Mariam Rosser-Owen assemble leading experts in the field to examine both the objects themselves and the ways in which they reflect their historical, cultural and economic contexts. With a focus on metalwork, this volume includes an important new study of Mosul metalwork and presents recent discoveries in the fields of Fatimid, Mamluk and Qajar metalwork. By examining architecture, ceramics, ivories and textiles, seventeenth-century Iranian painting and contemporary art, the book explores a wide range of artistic production and historical periods from the Umayyad caliphate to the modern Middle East. This rich and detailed volume makes a significant contribution to the fields of Art History, Architecture and Islamic Studies, bringing new objects to light, and shedding new light on old objects.

From the author of The Balance Project comes a dual-timeline narrative featuring a 1949 Miss Subways contestant and a modern-day advertising executive whose careers and lives intersect. "Schnall has written a book that is smart and

timely...Feels perfect for fans of Beatriz Williams and Liza Klausmann." —Taylor Jenkins Reid, acclaimed author of The Seven Husbands of Evelyn Hugo "A fast-paced, clever novel filled with romantic possibilities, high-stakes decisions, and harsh realities. Perfect for fans of Fiona Davis's The Dollhouse, this engrossing tale highlights the role that ambition, sexism, and true love will forever play in women's lives." —Amy Poeppel, author of Small Admissions In 1949, dutiful and ambitious Charlotte's dream of a career in advertising is shattered when her father demands she help out with the family business. Meanwhile, Charlotte is swept into the glamorous world of the Miss Subways beauty contest, which promises irresistible opportunities with its Park Avenue luster and local fame status. But when her new friend—the intriguing and gorgeous fellow-participant Rose—does something unforgivable, Charlotte must make a heart-wrenching decision that will change the lives of those around her forever. Nearly 70 years later, outspoken advertising executive Olivia is pitching the NYC subways account in a last ditch effort to save her job at an advertising agency. When the charismatic boss she's secretly in love with pits her against her misogynistic nemesis, Olivia's urgent search for the winning strategy leads her to the historic Miss Subways campaign. As the pitch date closes in on her, Olivia finds herself dealing with a broken heart, an unlikely new love interest, and an unexpected personal connection to Miss Subways that could save her job—and her future. The Subway Girls is the charming story of two strong women, a generation apart, who find themselves up against the same eternal struggle to find an impossible balance between love, happiness, and ambition.

REVIEW OF DR RAJ KAMAL B 1949

- I didn't really like this book. While the writing is decent for a fifteen-year old, the plot and characterization left much to be desired. Jessica Allodola is spunky but I couldn't stand her after a while. The way the author dwells on her looks reminds me a little too much of a Mary Sue in a bad fanfic, and I heavily dislike Sues. Also, her rejection from normal high-schoolers did not really endear her to me, mainly because very little of her behavior made me feel sympathetic for her situation. Caryn Smoke was also annoying in her goody-two-shoe way. There are ways to make goody-two-shoes bearable, but Amelia gives her little depth so I liked her only sometimes, and I spent most of the book disliking her. I wonder if that's intentional. Aubrey in no way frightened me. Sure he's Jessica's protector, but isn't he supposed to be a ALMIGHTY VAMPIRE? Jeez, my mom could kick his butt in about ten seconds so I'm not as surprised about this Risika person kicking his butt as I'm supposed to be. Aubrey and the rest of the vampires lacked real personality and complexity. As for Jessica's real mother, what kind of person in whatever time period she came from would name their child Jazlyn? That in no way resembles an old-fashioned name. The witches were annoying, and I disliked them which leaves no character left for me to love. The plot was decent, and there were a few things I liked. Still, I was so bored that I didn't read the last chapter. I give this two stars. The only reason I didn't give it one was because of decent writing and a few interesting plot elements.

- The book was great. It met all of my expectations and more!!!

Thanks, I would purchase from you anytime again!!!
