not have actually considered previously.

REVIEW OF B1 ENGLISH EXAM UVIC

- Chased by bullies Nita seeks refuge in the old children's library. Finding a wizzards manual she takes the oath and using her power she locates another wizzard, Kit. In their first spell they get a white hole called "Fred". They suddenly found themselves in a separate but parallel universe created by the Witherer, the Ruster, the Starsnuffer, the Lone Power. And getting in BIG trouble!

- This is the second book I have ever read by Teresa Medeiros. Yours until Dawn was an enchanting read. The author portrayed

two very likeable characters whom are hard not to love. This is a book about second chances mostly, and it was great. Medeiros has an amazing ability for description and detail and for writing very endearing characters. Sure, the book had some inconsistencies, especially with his family, who never really got a set down by Gabriel as they so deserved, especially his mother for wishing his death. The last two chapters of the book left me a bit confused also because i could not decide if i loved it or not. I probably would have picked a different way in which Gabriel "finds out". I was not crazy at the way he was around her and did not realised who she was. Finally, Samantha's surprise was indeed unexpected, but i liked it, what i did not like was the way she acted in those final chapters. Overall, the book to me was great, i did not love some things but it did not deterred me from finding this book captivating.
