A stunning collection, accumulated over many years, of paintings, drawings and calligraphy of the highest quality mostly created for albums from the Safavid, Uzbek, Ottoman and Mughal Empires from the 16th to early 19th century. Lavishly illustrated, this unusually exquisite and scholarly book is a noteworthy addition to its field. This publication presents a collection of over sixty paintings, drawings and calligraphic specimens mostly made in the Safavid, Uzbek, Ottoman and Mughal Empires in the period from the 16th through the early 19th century for inclusion in albums (muraqqa'). The compilation of these albums, involving the collection and ordering of the works to be included as well as the design and execution of decorative borders, was an art form in itself and amounted to a broader cultural phenomenon that has increasingly become the focus of scholarly attention. This was the age of the master artist, whose work was eagerly sought by collectors, imitated by admirers and forgers, taken as loot by invaders, and exchanged as gifts that had value across political borders. The international currency of a master artist's work is particularly apparent in the case of the calligrapher Mir 'Ali of Herat (d. 1544), whose calligraphies were almost obsessively sought out by the Mughal rulers of India and provided a model for subsequent generations of calligraphers in India and Iran. In Iran, Shah 'Abbas' new capital of Isfahan was the breeding ground for a generation of artists specialized in single-page calligraphic compositions, paintings and drawings, often working in distinctive styles. These included calligraphers such as Mir 'Imad al-Hasani and 'Ali Riza 'Abbasi, and painters like Riza 'Abbasi, Muhammad Qasim and, later, Mu'in Musavvir. The processes of collection and compilation were complex, as albums were gifted and reassembled to suit the tastes and outlook of new owners. An eloquent example of this ongoing evolution is the famous St. Petersburg Album. Compiled and given decorative borders in Iran in the mid-18th century, the album contains a number of Mughal and Deccani paintings and drawings presumed to have been taken to Iran as plunder by Nadir Shah following the invasion of India in 1739. The end of this tradition is marked in the publication by a number of works from Mughal-style albums of calligraphy and painting acquired by officers and administrators of the British East India Company such as Warren Hastings and William Fraser.

Models of Integrity examines the relationship between contemporary art and the law through the lens of integrity. In the 1960s, artists began to engage conspicuously with legal ideas, rituals, and documents. The law—a primary institution subject to intense moral and political scrutiny—was a widely recognized source of authority to audiences inside the art world and out. Artists frequently engaged with the law in ways that signaled a recuperation of the integrity that they believed had been compromised by the very institutions entrusted with establishing standards of just conduct. These artists sought to convey the social purpose of an artwork without overstating its political impact and without losing sight of how aesthetic decisions compel audiences to see their everyday world differently. Addressing the role that law plays in enabling artworks to function as social and political forces, this important book fills a gap in the field of law and the humanities, and will serve as a practical “how-to” for contemporary artists.

Charlie James (1867–1937) was a premier carver and painter from the Kwakwaka'wakw First Nation of British Columbia. Also known by his ceremonial name Yakuglas, he was hawker a prolific artist and activist during a period of severe oppression for First Nations people in Canada. Yakuglas' Legacy examines the life of Charlie James. During the early part of his career James created works primarily for ritual use within Kwakwaka'wakw society. However, in the 1920s, his art found a broader audience as he produced more miniatures and paintings. Through a balanced reading of the historical period and James' artistic production, Ronald W. Hawker argues that James' shift to contemporary art forms allowed the artist to make a critical statement about the vitality of Kwakwaka'wakw culture. Yakuglas' Legacy, aided by the inclusion of 123 colour illustrations, is at once a beautiful and poignant book about the impact of the Canadian project on Aboriginal people and their artistic response.

This immersive dive into the life and work of Salvador Dalí unlocks the secret of this creative genius and reveals for the first time how his erotically charged paintings changed the world of modern art. In turns beloved and reviled, twentieth century art, painter, filmmaker, and designer Salvador Dalí set Europe and the United States ablaze with his uncompromising genius, sexual sadism, and flirtations with megalomania. His shocking behavior and work frequently alienated critics; his views were so outrageous, even prominent Surrealists tried to ostracize him. Still, every morning he experienced "an exquisite joy--the joy of being Salvador Dalí," and, through a remarkable talent that invited bewilderment, anger, and adoration, rose to unprecedented levels of fame--forever shifting the landscape of the art world and the nature of celebrity itself. In this stunning volume, rich with full-color images, noted art historians Jean-Pierre Isbouts and Christopher Heath Brown discuss the historical, social, and political conditions that shaped Dalí's work, identify the impact of Modern as well as Old Master art, and present an unflinching view of the master's personal relationships and motivations. With their deeply compelling narrative, Isbouts and Brown uncover how Dalí's visual wit and enduring cult of personality still impacts fashion, literature, and art, from Andy Warhol to Lady Gaga, and seeks to answer why, in an age of shock and awe, Dalí's art still manages to distress, perplex, and entertain.

In the early 1400s, Iranian elites began migrating to the Deccan plateau of southern India. Lured to the region for many reasons, these poets, traders, statesmen, and artists of all kinds left an indelible mark on the Islamic sultanates that ruled the Deccan until the late seventeenth century. The result was the creation of a robust transregional Persianate network linking such distant cities as Bidar and

Shiraz, Bijapur and Isfahan, and Golconda and Mashhad. Iran and the Deccan explores the circulation of art, culture, and talent between Iran and the Deccan over a three-hundred-year period. Its interdisciplinary contributions consider the factors that prompted migration, the physical and intellectual poles of connectivity between the two regions, and processes of adaptation and response. Placing the Deccan at the center of Indo-Persian and early modern global history, Iran and the Deccan reveals how mobility, liminality, and cultural translation nuance the traditional methods and boundaries of the humanities.

REVIEW OF LEGACY PAINTINGS AND DRAWINGS BY FRANK FRAZETTA

- I've been a Mel Torme fan for years, and I was interested to hear his inside take on the entertainment industry. In that capacity the book didn't disappoint; Mr. Torme has a great way with words and much insight to convey. In reading his book I discovered that he is quite materialistic and shallow -- something I hadn't really suspected. He quotes his friends and associates verbatim, including a significant helping of colorful language. In fact, I finally had to give up on the book halfway through because I just couldn't stomach the sheer volume of profanity. I did laugh out loud (something I rarely do) when I found the one word Mel saw fit to censor. It's a four-letter word beginning with "f," but it's not the one you think. After page upon page of language straight from the gutter, he substituted "f***" for "fart." Go figure.

- I loved this book, not only because it wrapped up McCoy's Angel trilogy, but because it was funny, sweet, and a great read. Very sexy too. I always enjoy a book by this author.
